It's simply the place to be.*

Tournament Information

Championship Format

Monday and Tuesday (1st & 2nd Round Qualifying) will be 18 Holes Stroke Play each day, with the top 8 scorers in three separate divisions (Assisted, Unassisted, and Net) qualifying for Match Play Brackets that are played Wednesday & Thursday to decide the divisional champions. The Never Quit (NQ) Cup for all non-qualifiers, as well as the 1st Round matches (quarterfinals), are played on Wednesday morning. On Thursday morning, the Semi-final matches are played, followed by the 2-Man Shootout. On Thursday afternoon, all play will be complete except for the Finals matches in each division, which will begin at that time.

Adjusted golf handicaps are used in the NQ Cup competition, and the Net Division matches, while the Assisted and Unassisted Division matches will be played with no golf handicaps. The NQ Cup will be played from the forward tee boxes.

- 1) The Net Division will use golf handicaps, 2) play will be from forward tee boxes (5,300-5,700 yard range), and 3) "Initial" handicaps are used for Qualifying, and "Adjusted" handicaps for match play*

*"Initial" golf handicap is used during qualifying rounds. "Adjusted" golf handicap is an amended handicap that consists of the midpoint between the "initial" handicap and the average number of strokes over par you shoot on Monday & Tuesday. For example, if your initial handicap is a 20 and you average 30 over par in Rounds 1 & 2, your new adjusted handicap for Wednesday & Thursday will be 25. Champions will be crowned in three separate divisions (Assisted, Unassisted, and Net). **You must declare Division you intend to play in prior to Qualifying.***

*The **NQ Cup** is for the players that do not finish in the Top 8 of their respective divisions during Qualifying on Monday & Tuesday, and consist of 18-holes stroke play with each player using their Adjusted handicaps. The **2 Man Shootout** will be a Best Ball Front 9/Alternate Shot Back 9 Match-Play format. Points are earned for your team for winning (1 pt) or halving (1/2 pt) a hole. The Shootout is for those NOT in the championship divisional semi-finals, and will pair the players based on their scores from the 1st and 2nd qualifying rounds.*
